## Notes to the Financial Statements

Years ended December 31, 2021 and December 31, 2020

---

### 1. GENERAL

The Catholic Foundation of Vancouver Island's (the "Foundation") purpose is to further the spiritual mission of the Roman Catholic Church and in particular those objectives set out in the Indenture of Trust. The Foundation is a registered charity under the Income Tax Act and is legally structured as a trust. Its geographical territory covers Vancouver Island.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are:

(a) *Fund Accounting*

The Foundation follows the restricted fund method of accounting for contributions. The Foundation maintains a General Fund to record operating revenues and expenses and has established a Foundation Fund which is presented as internally restricted and which contains all the equity of the Foundation.

(b) *Revenue Recognition*

Contributions of cash and gifts in kind are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Gifts in kind of \$2,214 (2020 - \$2,214) for insurance policy premiums are included in General Fund donation revenue.

Investment income is recorded on the accrual basis.

(c) *Financial Instruments*

All investments are classified as held-for-trading financial assets, measured at fair value with the resulting gain or loss recognized in the Statements of Operations and Changes in Fund Balances.

Accounts receivable are classified as receivables. Accounts payable and accrued liabilities are classified as other financial liabilities. These assets and liabilities are initially recognized at fair value. Fair value is approximated by the instrument's initial cost in a transaction between unrelated parties and is subsequently measured at their amortized cost, using the effective interest method. Gains and losses arising from changes in fair value are recognised in the statement of Operations and Changes in Fund Balances upon derecognition or impairment.

(d) *Use of Estimates*

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. These estimates are reviewed periodically and adjustments are made to income as appropriate in the year they become known. Actual results could differ from these estimates.

### 3. AFFILIATED PARTY TRANSACTIONS

The Bishop of Victoria Corporation Sole is incorporated by a separate Act of the legislature. The Bishop and one priest of the Diocese of Victoria serve as trustees of the Foundation. Eight lay persons form the balance of the trustees.

During the year, grants totalling \$28,000 (2020 - \$15,000) were authorized for disbursement to the Bishop of Victoria and societies controlled by the Bishop of Victoria. During the year, administrative expense of \$4,800 (2020 - \$4,800) were paid to the Bishop of Victoria.

These transactions are in the normal course of operations and are measured at the exchange amount of consideration agreed to by the related parties.

### 4. LIFE INSURANCE PREMIUMS

The Foundation is the beneficiary under two policies:

Face value of \$50,000 – annual premium of \$2,214 paid by the insured for which a donation receipt is issued.

Face value of \$100,000 – annual premium of \$2,435 paid by the Foundation.

### 5. DISTRIBUTIONS

Distributions arise from investment income earned on fund balances after administrative expenses are deducted and can be accumulated for distribution during another fiscal period. Donations and capital gains are treated as capital amounts and distributions of capital are only permitted in order to meet the requirements of any applicable law, including any disbursement quota imposed under the Income Tax Act.
